YOEMEN READY FOR TWISTERS

BURLINGTON BOND ELECTION IS CALLED

FEDERAL AID SUPPLEMENT IS FOR \$16,500

A bond election to be held in Burlington on Saturday November 16th has been called by the Commissioners Court. The poll will be to authorize \$16,500 for improvement of roads in the district.

The district has recently had approved in Washington a grant of \$33,000 for the road project. This program will give Burlington and territory roads that can be traveled in wet weather. The entire cost will approximate \$50,000 it is said. The improvement is regarded as vital to trade at Burlington.

In this issue of The Herald will be found a lengthy notice calling the election.

B. G. Kleypas has been named manager of the election.

SENATOR POAGE IS SENATE PRESIDENT

Senator W. R. Poage has been elected president of the Texas Senate for the second called session. Friends in this county were pleased to learn of this honor to their state senator.

Senator Poage has been in the senate two and a half terms, succeeding Lieutenant Governor Witt. He will be a candidate for Congress to succeed O. H. Cross who has announced his retirement at the end of the present term.

Senator Poage polled more than 20,000 votes in the primaries in 1934 for congress. Already many friends in Milam county have enlisted for his campaign to elect him to the national house following his distinguished service in the Texas senate.

Garbo's Big Screen Version of "Anna Karenina" Sunday

Greta Garbo returns to the screen of the Cameron Theatre teaming with Fredric March in "Anna Karenina," celebrated film from the great Tolstoi novel.

The picture opens Sunday, October 27th. Other noted stars are Mae Robson and Maureen O'Sullivan. Garbo has not been seen in Cameron for many months. Stanley Swift was receiving congratulations on this program from many. In this glamorous Russian picture are many of the nobility from the days of the Czarist reign in the new Soviet Union. Garbo is cast in a role to which she is especially adapted. The Swedish star reaches new heights.

Fredric March has always been popular with Cameron fans. His versatile art, it will be recalled, made rival the great Chaney when he played "Dr. Jekyll and Mr. Hyde."

UNDER THE COURT HOUSE DOME

By Berenice Mc Lerran

It was five minutes till eleven—up in the third floor of the Court House we went—opened a small door into darkness—groped our way in the darkness up a flight of stairs. It was hot and stifling—and then into a small room, where the sun was streaming through the large windows. In the center of the small room was a closet some large clock works. You next climb a ladder attached to the wall and which leads into an opening just large enough for one person to crawl through. You see large bell which weighs more than 1400 pounds. Bong! Bong! and a heavy hammer strikes the large bell eleven times ringing out the hour of the day for the City of Cameron. We find that the weight that pulls the hammer is over one thousand pounds. For more than 40 years this bell, (Turn to page 4)

With the biggest crop since 1930 and improved livestock markets, the Southwest is at the head of America's 1935 prosperity parade. Cities and rural areas alike are benefiting according to retail buyers from the Southwest who are flocking to wholesale markets in record numbers. Above, the Merchandise Mart, America's greatest wholesale center which reports an increase of 47 per cent in retail buyer registration for September. Below, fat, sleek cattle, and, right, prize yield of Kansas corn, important factors in the Southwest's recovery.

NEW FORD V-8 GETS BIG HAND SATURDAY

The New Ford V-8 for 1936 was shown for the first time in Cameron Saturday at the Hefley-Stedman Motor Company.

The principal improvement in the New Ford is a new note in streamlining of the body, new interior and three important chassis improvements. The car has a better steering design and greater comfort.

New steel wheels and silent transmission are features. The hood is longer and gives the effect of placing the front seat at a distance noted in costlier cars.

No improvements have been made in the famous V-8 motor. None were necessary, said Mr. Stedman. Thirteen new body types are available. The display here is a De Luxe Sedan and a Coupe, both with an entirely new color heretofore not known to the V-8. The new cars are available for delivery, it was announced.

Fall Selling At Cheeves Bros. Is Big Event for City

Cheeves Bros. annual fall sale is proving an unusual advantage for buyers in this section.

Lower prices prevail in the store and the merchandise is all new and freshly laid in for the fall selling campaign.

It will be of interest to many to read the sale ad in this issue of the Herald whose thousands of readers are being told of the many bargains at the big store on the square.

On Monday November 4 the store will give its monthly dollar day bargains.

100 Local Men In Coast Dock Jobs

More than 100 men left Cameron Friday for Galveston to be employed on the docks of the harbor. Striking longshoremen caused a shortage of labor.

LeRoy Johnson, employed by a steamship company since last year, sent the call to Cameron for men who now have good jobs.

The San Gabriel Pirate Tales

IRENE FULCHER
Editor In Chief

The first six weeks exams were given this week, and we are anxiously awaiting the results. There has been much progress made in each department, and school activities are well under way. The first general assembly will be Thursday October 24 at 2:30 p. m. with the Senior Class sponsoring the program.

F. F. A. Banquet

The Future Farmers of the San Gabriel School entertained their fathers October 16 with a banquet on the school campus. Tables were attractively arranged near the lily pond and everything was in keeping with the future farmers. Out of town guests were: E. R. Alexander, A. & M. College; Guy T. Newton, Cam-

on; Judge Graham Gillis, Cameron; E. D. Parnell and father of Cameron; H. D. Maxwell, Rockdale; M. V. Hallman, Sharpe.

Additional guests other than the farmers were: T. N. Wood, superintendent of San Gabriel schools; C. R. Smith, Social Science Instructor. Members of the school board as follows: E. M. Case, Harry Clark, Homer Reid, Jamie Clark, Andrew Garner, A. N. Richards, Howard Fulcher.

The Home Economics Girls, under the supervision of Mrs. Montgomery, their instructor, very efficiently served at the banquet.

Hill More Cheerful Awaiting His Fate

Raby Hill, 41, under a 99 year sentence for murder, seemed cheerful enough Wednesday morning as he sat in his cell talking to Mrs. Hill with their small son who has returned to school after being taken out during the trial.

An effort was made by a Herald representative to obtain a statement from Hill for publication. He expressed desire to tell his story but his attorneys intervened and asked him to refrain from any comment at this time.

A formal application for a new trial is pending and must be heard before November 9 the date the September term of court ends. Hill made a plea of self defense. In the event the court here denies a new trial the case will be taken to the court of criminal appeals.

Mrs. Perry Wilkerson and Mrs. W. A. Bonds were visitors in Temple on Friday.

"Accent On Youth" Heads Screen Bill October 29 and 30

Sylvia Sidney and Herbert Marshall make up the lead in a lovely team of artists in the great picture "Accent of Youth" to play at the Cameron Theater on Tuesday and Wednesday October 29 and 30.

The play is a famous Broadway success and is a departure in many features of its strong appeal to the masses of the people. Miss Sidney is the envy of Hollywood and has given the blondes a set back in this her new big picture for America's heart. Herbert Marshall never made a bad picture. "Accent of Youth" is one of the big pictures of the month and Mr. Swift has a large number of great films in store for Cameron theater patrons in the coming fall days.

LATE NEWS FLASHES

STATUE ASSURED

Judge Kemp has been notified that \$14,000 has been allotted for a statue of Ben Milam on the lawn of the court house. The Centennial Committee also allowed markers for historic spots in the county. The county is named for Ben Milam who died in San Antonio during the Texas revolution.

HALLOWEEN CARNIVAL AT ROCKDALE

Parent Teachers will give a Halloween carnival in Rockdale on Halloween night. The big parade starts at 5:30 p. m. and supper will be sold on the ground.

HALLOWEEN PROGRAM AT JONES PRAIRIE

Halloween entertainment will be given at the Jones Prairie school Friday night October 25th. The program is under direction of the Home Demonstration Club. The committee in charge plans to start the entertainment at 6 p. m. to give those who desire time to attend the football game in Cameron or Rosebud.

MARKERS ALLOWED

Historic spots are to be marked as a part of the Centennial program says Judge Kemp. One is to be placed at Nashville near Gause, one at Port Sullivan, presumably for the memory of an old college; one for the San Gabriel Mission site; one on Brushy Creek, the significance of which was not announced; one to mark the spot where a steam boat once docked during a flood in Little River near the W. S. Lamkin home.

ASKS NEW TRIAL

Attorneys for Raby Hill have filed a formal application for a new trial in district court. No hearing date has been set. The application must be heard before November 9 which is the last day of the October term. Hill was given a 99 year sentence for murder in connection with the shooting of George Richards here on September 22.

CHICKEN SUPPER

A chicken supper and other attractions at Hope Lutheran church in Buckholts is announced for Friday night October 25 beginning at 6 o'clock. The public is invited.

SANDY RIDGE CARNIVAL

A school carnival will be held at Sandy Ridge Friday night, October 25 it was announced in a communication the The Herald Wednesday morning. Funds will be used to work the McCann cemetery.

Thieves Mar Good Hospitality When Car Is Stripped

Cameron's hospitality was marred Friday night when thieves stripped several automobiles belonging to Taylor fans.

The second occurrence of the year, officers declared. Plans are being made to protect cars parked outside the stadium at future games.

The sum of \$10.50 was stolen from the clothing of Franklin football men from the locker room at the school building on September 27th. Three casings and a quantity of gasoline were taken here Friday night.

One Cent Sale Is To Open October 30 New Cameron Drug

Here's good news for thrifty buyers.

The annual fall one cent sale will open at the New Cameron Drug Store on October 30 and will run through November 1 and 2, it was announced this week by Joe Denson, manager.

In the Herald will be found an advance array of prices to prevail during the sale. Mr. Denson says he has laid in a great store of merchandise and expects the largest volume sale in the history of the event.

GRANGER IS HERE FRIDAY

Yoemen were ready for the Granger Twisters in their fourth conference game of the season to be played on the Yoemen field Friday night.

It will be the last conference game on the home field until November 8 when the Yoemen meet the Rockdale Tigers. On November 1 Cameron goes to Rosebud and on November 15 the Yoemen play Belton. Two conference games are to be played off the home grass roots. They are the hardest games the Yoemen have to play.

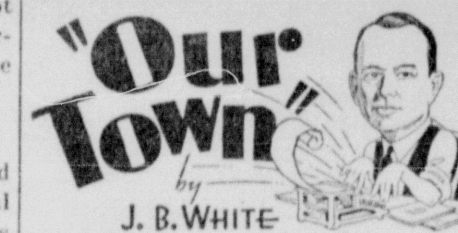

Interest was turning to the game between Belton and Rosebud Friday night at Rosebud. It is a crucial game. Cameron is expected to take Granger but not so easy. Reports indicate the Twisters are coming over to shoot the works in an effort to stay in the running.

The Taylor game here Friday night was played in the rain with the Yoemen winning 12 to 0. The Yoemen have not been scored on this season.

Car Load Of 1936 Collerators Have Arrived in City

Hayden Lawrence of the Cameron Ice & Cold Storage Company announced Tuesday that he had received a car load shipment of 1936 Coolers.

The new ice refrigerators will be on display this week. The company will tell the public more about these new units in a few days. Several car loads have been sold this season.

Pledge

I will think—talk—write . . . Texas Centennial in 1936! This is to be my celebration. In its achievement I may give free play to my patriotic love for Texas' heroic past; my confidence in its glories that are to be. . . .

More honored nowadays in the breach than is the custom of malicious mischief making of Halloween, the traditional night when witches, devils and the spirits of darkness are abroad and looking for trouble. So are the police authorities in most communities, and they recognize no supernatural excuses for destruction of property on Halloween.

Fortunately there are many other traditions attached to the night before All Hallows Day which do not quarrel with the law. The night of October 31st has other names than Halloween. It is called Nutcrack Night and Snapapple Night. And in its suitable and harmless celebration are involved customs and ceremonies which go far back in human history. They come from classical mythology and Druidic mysteries, as well as early Christian rituals. Some ancient observances have disappeared though once well approved. "In olde tyme," says a book of the early sixteenth century, "good people wolde on All halowen daye bake brade and dele it for all crysten soules." And for this remote reason, perhaps, the evening is still called Cake Night in some places.

Halloween is so variously celebrated that any sort of innocent merriment is appropriate. But the mischief making associated with the fest- (Turn to page 4)

Impressive Parade Features Thorndale Community Fair

Thorndale's annual community fair was opened Thursday October 17 at 9:30 a. m. with a parade one mile in length with over 350 participants. The parade was led by Sam Locklin, oldest cowman in Thorndale.

Two rodeos featured the program for the fair. The entire program is a credit to Thorndale with its population of slightly over one thousand.

The following prizes were given:
Most representative business entry, blue ribbon, Ribbeck & Moerbe Hardware.

Most representative farm crop, blue ribbon, Felton Camp.

Most representative farm livestock entry, blue ribbon, Adolph Stoll.

Most representative school entry, blue ribbon, Lutheran school pupils.

Most representative pioneer entry, blue ribbon, Locklin Boy.

Most representative patriotic entry, blue ribbon, Boy Scouts.

Best horseback entry, blue ribbon, Ruby Sinank.

Most comical entry, blue ribbon, Boy and Donkey.

Most beautiful float, blue ribbon, Summerlin Dry Goods.

Most beautiful Car, blue ribbon, Mrs. Afa Schulz.

Most beautiful of all—grand prize, purple ribbon, San Gabriel school.

Prize awards were made by judges Mrs. John E. Cooke, Mrs. C. M. Sessions and Branch Lewis of Rockdale. Citizens of Thorndale sincerely appreciate the interest shown by the judges.

Shelby Phillips and R. L. Batte, Jr., were parade marshals and they both express their sincere appreciation for the cooperation shown to make this the most beautiful parade ever held in Thorndale.

Through the efforts of Mr. Batte there were parade entrants from Rockdale, Cameron, Taylor, Waco and Temple.

40 Students Could Get \$240 Monthly In Milam County

National Youth Administration reports 40 students in Milam County eligible to receive \$6 each or a total of \$240 per month for high school education.

This allotment is available to students whose families are in rural settlement colonies or on relief roll. The funds provide work for the students. Reports indicate there are no students taking advantage of this offer.

MRS. ORPHELIA NEWTON DIES IN MILANO HOME

Mrs. Ophelia Jane Newton, widow of the late J. B. Newton of Milano, died at her home in Milano Tuesday, October 15th and was buried Wednesday afternoon. Rev. L. E. Strickland, of Rockdale, assisted by Rev. N. D. Timmerman, pastor of the First Baptist Church, Cameron, conducted the services in the Baptist Church at Milano, with interment in Sand Creek cemetery.

Mrs. Newton was born near Cameron October 15, 1855 and died on her 80th birthday anniversary. She was married to James B. Newton on January 14, 1875, and for a few years lived on the old home farm near Sandy Creek, and later moved to Milano where Mr. Newton embarked in general mercantile business and was a successful business man, and the business there is still known as the Newton Store.

The home of Mr. and Mrs. Newton was known for its true hospitality and was the center of social gatherings for the young people of that community; also was a home for the ministers. She had lived there for 60 years. Her husband died 25 years ago. The Newton family has been known as a factor for that community for years. She was the mother of fourteen children, ten of whom survive her and were present at her death and funeral.

For the past fifty years she has had a child or grandchild attending the public schools of that community. She was a devoted member of the Church since 20 years old and had taught in the Baptist Sunday School for more than thirty years.

Surviving her are 10 children: General J. O. Newton, Rockdale; Walter O. Newton, Cameron; Lesser Newton, Bryan; Mesdames St. C. Byrne, Houston; Louela Elam, Milano; E. C. Smith, Sugarland; Mildred Arrington, Thrall; J. A. Baggett, Milano; T. C. Caldwell, Waco; L. G. Butts, Thorndale, and one brother and a number of grand children and three great grandchildren.

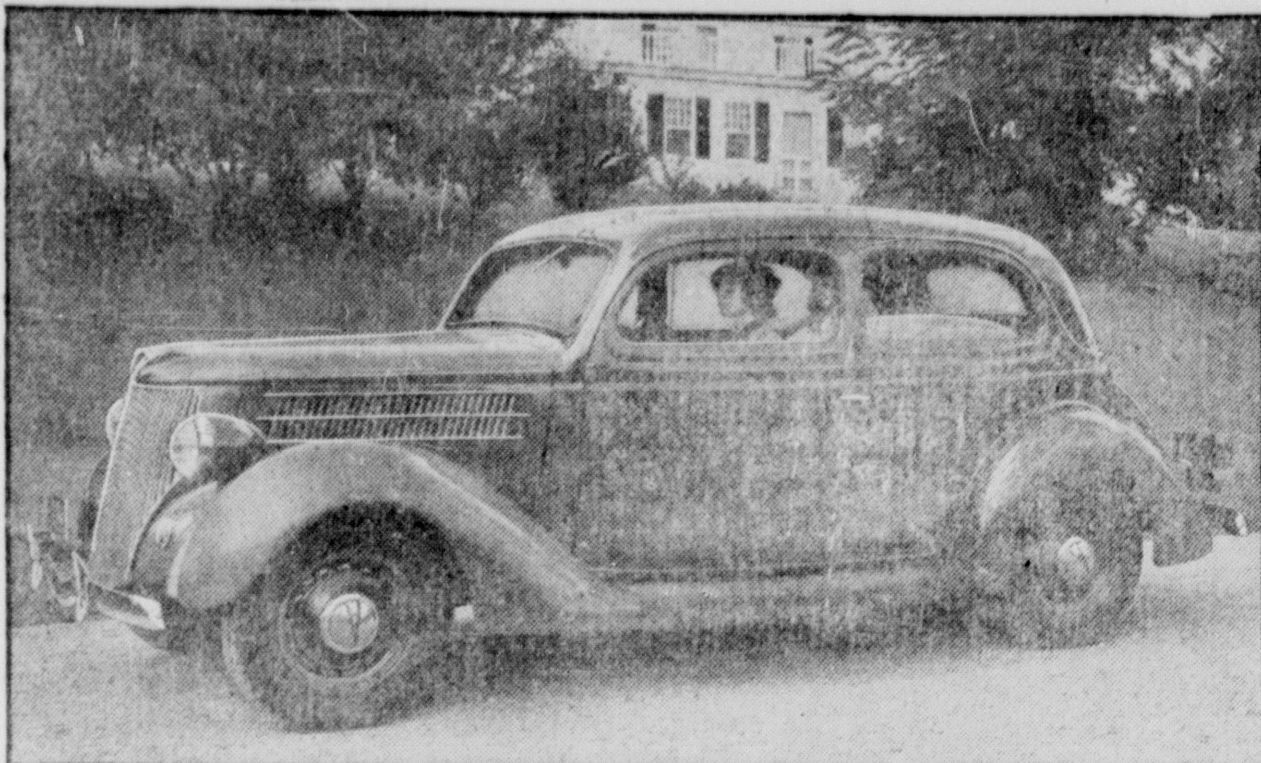

Nine grandsons attended the casket at the funeral and burial.

The floral offerings were many and beautiful.

Longer Lines in Ford V-8 for 1936

THE LONGER and more graceful lines of the Ford V-8 for 1936 are well illustrated in this view of the popular De Luxe Tudor Sedan. The new longer hood extends gracefully over the attractive new radiator grille. Wide streamlined front fenders, with an imposing flare, shroud the tires and house the

horns behind chromium grilles. New design steel wheels with 12½-inch hub caps are handsome and easy to clean. Bucket-type front seats are exceptionally comfortable. This body type, of welded steel like all Ford V-8 bodies, is also available without de luxe appointments at lower cost.

Try CARDUI For Functional Monthly Pains

Women from the 'teen age to the change of life have found Cardui genuinely helpful for the relief of functional monthly pains due to lack of just the right strength from the food they eat. Mrs. Crit Haynes, of Essex, Mo., writes: "I used Cardui when a girl for cramps and found it very beneficial. I have recently taken Cardui during the change of life. I was very nervous, had head and back pains and was in a generally run-down condition. Cardui has helped me greatly."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

Lady's Painful Trouble Helped By Cardui

Why do so many women take Cardui for the relief of functional pains at monthly times? The answer is that they want results such as Mrs. Herbert W. Hunt, of Hallsville, Texas, describes. She writes: "My health wasn't good. I suffered from cramping. My pain would be so intense it would nauseate me. I would just drag around, so sluggish and 'do-less.' My mother decided to give me Cardui. I began to mend. That tired, sluggish feeling was gone and the pain disappeared. I can't praise Cardui too highly because I know it helped me." ... If Cardui does not help YOU, consult a physician.

PLENTY OF ICE FOR ALL OF THEM

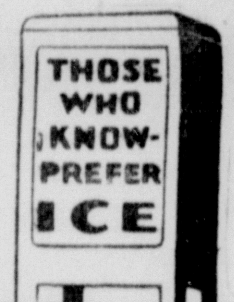

No matter how many guests there are to be served, there IS plenty of ice for all of them—when you have ICE REFRIGERATION! For the first round, for the second round, and for as many guests as there may be. You don't have the inconvenience and delay of waiting for more ice to be "made."

When you use PURE ICE from a clean, modern ice plant, it is always TASTE-FREE. ICE in your refrigerator cannot absorb flavors of foods—it CAN'T taste like cucumbers or cantaloupes or onions or whatever you may have in the food storage compartment. ICE REFRIGERATION gives you PURE, TASTE-FREE ice—in any quantity you desire.

Users of ICE REFRIGERATION ALWAYS have PLENTY of ICE—at all times!

...but, after all is said and done, it's the cigarette itself that counts

... the question is, does it suit you?

Now, when it comes to a cigarette that will suit you . . . you want to think whether it's mild, you want to think about the taste

That Chesterfields are milder and taste better is no accident . . .

The farmer who grows the tobacco, the warehouseman who sells it at auction to the highest bidder, every man who knows about leaf tobacco will tell you that it takes mild, ripe tobaccos to make a good cigarette.

In making Chesterfields we use mild ripe home-grown and Turkish tobaccos.

OUR TOWN

tival, for the most part, is an American invention and corruption of the night's traditions. Fortunately it is no longer in fashion to substitute rowdiness for the kindly old customs of Halloween, and there is no need to make allowances for those who do so.

Somebody has taken the trouble to analyze the lyric themes of the popular music, as represented by titles of current songs and their repetition on radio programs. Three topics lead all the rest in Tin-Pan-Alley. Love conquers all, but mother and moon are nearly as popular with song writers.

A single song about love was played over principal radio networks 24,374 times last year; another thundered through the ether ten times a day at the height of its popularity. Seven songs about the moon are listed among the favorites of last year's output. Mother did not so well, but in the official catalogue of published sheet music there are 306 songs with the title of "Mother," and 203 which are named "I Love You."

A serious conclusion from these statistical studies is that the life of a popular song is much briefer than it used to be. That, it is said, makes bad business for composers and publishers, who would like to know what is to be done about it. The more popular the song, the briefer its little life.

It is easy to understand why. Love, the moon and mother are eternal themes for poets and music makers, but whatever they say or sing is soon worn out and must be said again. Perhaps it need not be said again, but it is. A poet once inquired, "What are the wild waves saying?" If he referred to the ether waves, they are probably saying something about love, the moon and mother.

Heartening news in a great industry! The people who make bicycles say that 1935 is going to be the best year in their business in a generation, since 1910. That was the year that people began to say that the automobile had come to stay and it began to crowd the humble bike from the streets.

But now the leaders of the bicycle industry announced at a recent convention that there are no fewer than three million bicycle riders in the United States, compared with a low of about half a million when the bicycle was in its greatest eclipse. They are still a comparatively rare sight around Cameron, although undoubtedly there seems to have been a pick-up. But apparently it is as nothing compared with the sudden revival of the bike in some cities. The Cleveland Plain Dealer, for instance, is surprised at the "moderation of the claim." It continues: "To judge from Sunday afternoon cyclists to be seen in the environs of Cleveland, one would believe that there might be a 10,000,000 a-wheel. Motorists who have to dodge the bikes on busy highways, would probably swear that nine or ten million deliberately get in their way."

It adds that accidents to bicyclists account for a much smaller proportion of traffic mishaps than one would expect. These young riders of 1935 are an agile lot. It might be worth while, however, to rebuild some of the old paths in the days of the century run.

Outside of the poll books, it is not believed now that the late Huey left his successors any fomal sucker list.

A hurricane on the loose is doubtless a great labor-saving device, but better authorities favor packing the oranges by hand.

which was made by the McShane Foundry, Baltimore, Maryland in 1891, has rung out the time for Cameron. M. M. Johnson has been the official clock keeper during all these years and each Sunday morning at 9 o'clock makes his weekly visit to see that the clock is in running order.

The usual Saturday afternoon scene on the court house square is a local minister preaching. Perhaps someone will be reached there that otherwise would not be through the church service. Jesus went among ALL CLASSES to preach and teach. Why should any present day minister hesitate to do that?

"I am a monarch of all I survey" is the maxim which comes to my mind as I look at the statue of the Goddess of Justice on top of the court house. It does not take an animated object every time to awaken feeling in our heart or a thought in our mind. Even a silent stone figure symbolic of the worth-while things can touch a spot in our heart. Look up into the face of the slightly bent head of the Goddess of Justice—gaze at the scales which she holds in her left hand and the hilt of the sword which she holds in her right hand. Silently she is pleading for all men, all men—to seek the sword of truth, weigh all matters justly and in humble spirit.

NOTICE TO CREDITORS OF VOLUNTARY LIQUIDATION OF THE BURLINGTON STATE BANK, BURLINGTON, TEXAS.

In compliance with Articles 539-40 of the R. S. of Texas, notice is given by the directors of the Burlington State Bank, located at Burlington, Milam County, Texas, that a stockholders meeting of the said bank held on the 5th day of August, 1935, pursuant to notice theretofore given, as prescribed by statutes, the proposition was duly submitted to said stockholders to close the business of the banking corporation, and that at said meeting resolution was unanimously adopted that pursuant to the action taken January 25, 1932, by the stockholders of said bank, all depositors and creditors have been fully paid, and that after discharging all remaining liabilities, if any, the remaining assets of said bank be distributed proportionately among the stockholders and that the bank surrender and have cancelled its corporate franchise; and that the proper officers and directors be fully authorized and directed to take all necessary action, with the power to execute all necessary papers to effect such dissolution.

Accordingly, the undersigned directors give this notice of the action so taken, and that at the expiration of three months from said date, the statutory requirements and action will be completed.

Strange Bug Makes Way To the Herald

A strange bug almost two inches in length with front legs resembling the wings of a monoplane was brought to the Herald office this week by J. L. Schrieber, farmer living west of town.

Mr. Schrieber caught the bug at his screen. He can fly and is colored somewhat like a frog with the under part of his body very red. No such bug has ever been seen by Mr. Schrieber and the Herald editor is unable to classify this species.

Grafts Persimmon Raises Big Fruit

Five Japanese persimmons that weigh around five pounds are on display at the Herald office. They were raised by Frank Geiner who owns a suburban home north of the city.

Mr. Geiner went into the woods and got seed from the native persimmon tree and planted. When the trees grew up, he took buds from the Japanese persimmon and grafted. The cluster brought to this office has 4 and from a 3 year old tree. As high as 8 were produced on one limb this year.

Mr. Geiner buds every year. He has a number of these trees.

NOTICE OF ROAD BOND ELECTION IN ROAD DISTRICT NO. 21 OF MILAM COUNTY, TEXAS.

THE STATE OF TEXAS,
COUNTY OF MILAM.

To the resident qualified property taxpayers voters of Road District No. 21 of Milam County, Texas:

Take notice that an election will be held on the 16th day of November, 1935, within Road District No. 21 of Milam County, Texas, to determine whether said district shall issue bonds and whether a tax shall be levied in payment thereof, such election to be held in obedience to, and in compliance with, an election order of the Commissioners' Court of Milam County, Texas, made and entered on the 11th day of October, 1935, which order is as follows:

"ORDER OF COMMISSIONERS' COURT FOR ROAD BOND ELECTION IN ROAD DISTRICT NO. 21 OF MILAM COUNTY.

"THE STATE OF TEXAS,
COUNTY OF MILAM.

"On the 11th day of October, 1935, the Commissioners' Court of Milam County, Texas, convened in Special Session, at the regular meeting place thereof in the courthouse of said county, at Cameron, Texas, and there were present at such meeting of said Court all of the members thereof, to-wit:

"Judge Jeff T. Kemp, County Judge; Walter H. Fuchs, Commissioner of Precinct No. 1; R. G. Stidham, Commissioner of Precinct No. 2; R. S. Cloud, Commissioner of Precinct No.

3; E. G. Stiles, Commissioner of Precinct No. 4.

"At such meeting said Commissioners' Court duly passed the following order:

"On this, the 11th day of October, 1935, came regularly on for hearing the petition signed by M. Hagerty and 151 other persons, alleged in the petition to be resident, property taxpayers voters of Road District No. 21 of Milam County, Texas, praying this Court to order an election to determine whether or not the bonds of said road district shall be issued to an amount of Sixteen Thousand Five Hundred (\$16500.00) Dollars for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in the aid thereof, and whether or not taxes shall be levied on all taxable property within said road district in payment thereof; and

"It further appearing to the Court that on September 12, 1935, by order of this Court, of that date, of record in Vol. 9, page 125, of the minutes of this Court, said Road District No. 21 of Milam County, Texas, was duly established and that in such order said road district is accurately defined and described by metes and bounds, as follows:

"Beginning at a point where the north line of Milam County crosses the center of North Elm Creek for the N. W. cor. of this, said corner being S. 30 E. 260 vrs. and S. 60 W. 350 vrs. from the N. acres; Part of W. L. Hannum, 280 acres; Part of L. S. Simpson, 310 acres; Part of Joseph H. Clark, 112 acres.

"It appearing to the Court that said petition is signed by more than fifty of the resident property taxpayers voters of said Road District No. 21 of Milam County, Texas, who own taxable property in said road district and have duly rendered the same for taxation, and that said petition is otherwise in conformity with law; and

"It further appearing to the Court that on the 14th day of September, 1935, by order of this Court of that date, of record in Vol. 9 page 129, of the minutes of this Court, this date, October 11, 1935, was fixed as the time for the hearing of the above mentioned petition and that the County Court Room in the Court house of Milam county, in Cameron, Texas, where this court is now in session, was fixed as the place of hearing of said petition; and

"It further appearing to the Court that the Clerk of this Court, to-wit: the County Clerk of Milam County, Texas, issued due notices of such time and place for the hearing of said petition, and posted a true copy of such notice at the door of the court house of Milam County, Texas, and posted a true copy of such notice in three public places in said Road District No. 21 of Milam County, Texas, and that he posted a copy of said notice in each of the places on the 28th day of September, 1935, more than ten full days before this date, that no newspaper is published in the above mentioned road district, and that said Clerk caused a true copy of said notice to be published in the Cameron Herald, a newspaper published in Cameron, Milam County, Texas, and that such notice is so published in said newspaper in its issue of October 3, 1935, more than five full days before this date, and that said notice was so posted and published legally and in the manner and for the time required by law to warrant a hearing of the above mentioned petition at this time, and that all persons concerned have due opportunity to appear, and this hearing and contend for or protest the ordering of the road bond election prayed for in the above mentioned petition; and

"It further appearing to the Court that the said Road District No. 21 of Milam County, Texas, as hereinabove defined and described embraces the unincorporated town of Burlington, in said County, but does not embrace any part of the municipal corporation, or any part of a political subdivision, or defined road district, that has issued road bonds, which, or any part of which, are now outstanding and unpaid, and that there are no outstanding county road bonds of said County; and

"It further appearing to the Court that the amount of bonds prayed for in the above mentioned petition will not exceed one-fourth of the assessed valuation of the real property of said Road District No. 21 of Milam County, Texas; and

"The Court having proceeded with the hearing of the above mentioned petition, and all contentions for the protests against the ordering of such road bond election having been duly considered; and

"It appearing to the Court that those signing said above mentioned petition recommended therein the improvement of the following roads and streets within said road district, to-wit:

"(1). Beginning at Highway 44 at the corner of Henderson's Gin lot; thence westerly with road approximately 4 miles to Luedeker & Creman corner in Milam and Falls County line.

"(2). Beginning at Leo O'Neill's S. W. corner on the above road; thence southward approximately 1.4 miles along the present public road to the N. E. Corner of the Charles Aigner, Sr. farm.

"(3). Beginning at Burlington Cemetery, thence eastward with the road about one mile to the N. W. corner of Mrs. Geiser's home place; thence S. along the public road about 1.7 miles to the division line of Burlington & Clarkson precincts.

"(4). Beginning at the corner of Ed Martin and Ed Olbrich tracts on the road running East described in number (3) above, thence S. with road about 2 miles to the N. W. corner of the E. Vogelsang Estate land.

"(5). Beginning at Mrs. Witte's crossing on Highway 44 thence W. to Burlington Hall; thence N. to intersection with road number one above, approximately .3 mile.

"(6). Beginning at the S. E. corner of the Gleason home lot in Burlington, thence E. to the Weid Gin; thence S. to Highway 44 about .2 mile.

"(7). Beginning at the west side of Burlington Hall, thence W. to Cabron's S. W. corner; Thence N. to the N. E. corner of the Peter Braden lot; thence E. to Ed Krause home lot about .3 mile.

"(8). Beginning at the H. C. Henderson S. W. corner, thence northward about .05 mile to Mrs. Robinson's corner.

"It further appearing to the Court, at this hearing, that the proposed improvements within said road district would be for the benefit of all taxable property situated in said road district:

"It is, therefore, considered, ordered and directed by the Court that an election be held within and for said Road District No. 21 of Milam County, Texas, on the 16th day of November, 1935, which date is not less than thirty days from the date of this order, to determine whether or not the bonds of said Road District No. 21 of Milam County, Texas, shall be issued in the amount of Sixteen Thousand Five Hundred (\$16500.00) Dollars, in such denominations, and to mature at such time or times, not later than thirty years from their date, as may be deemed most expedient by this, the Commissioners' Court of Milam County, Texas, and to bear interest at the rate of 4 1-2 per cent per annum, the proceeds of the sale of such bonds, if issued, to be used for the purpose of the construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes in said Road District No. 21 of Milam County, Texas, or in the aid thereof, such improvements to be of and upon the roads and streets hereinabove described and defined; and whether or not taxes shall be levied on all taxable property within said Road District No. 21 of Milam County, Texas, for the purpose of paying the interest of said bonds and to provide a sinking fund for the redemption thereof at maturity.

"Said election shall be held under the provisions of Chapter 16 of the General Laws of the First Called Session of the 39th Legislature of the State of Texas, passed in the year 1926, and of Section 1 of Chapter 92 of the General Laws of the First Called Session of the 40th Legislature of said State, passed in the year 1927, and of Section 1 of Chapter 74 of the General Laws of the Second Called Session of the 41st Legislature of said State, passed in the year 1929.

"Only resident qualified property taxpayers voters of said Road District No. 21 of Milam County, Texas, who own taxable property in said Road District and whose taxable property in said road district has been duly rendered for taxation, shall be entitled to vote in said election.

"The ballots for said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF THE BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF.

"AGAINST THE ISSUANCE OF THE BONDS AND THE LEVYING OF THE TAX IN PAYMENT THEREOF.

"Each Voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other indicating his vote.

"The polling place and presiding officer of said election shall be, respectively, as follows:

"At Burlington, Texas, with B. G. Kleypas presiding officer.

"The manner of holding said election and canvassing and making returns thereof, shall be governed by the General Laws of the State of Texas, regulating general elections, when not in conflict with the provisions of Chapter 16 of the General Laws of the First Called Session of the 39th Legislature of the State of Texas, passed in the year 1926.

"Notice of said election shall be given by publication of a true copy of this order in a newspaper published in said Road District No. 21 of Milam County, Texas, for three successive weeks before the date for said election, if there be a newspaper published in said district, and if no newspaper is published therein, then such notice shall be given by such publication of a true copy of this order in some newspaper published in Milam County, Texas; and notice of such election shall be given also

by posting a true copy of this order at the door of the courthouse of Milam county, in Cameron, Texas, and in at least three public places in said Road District No. 21 of Milam County, Texas, for three weeks prior to said election.

"The Clerk of this Court, to-wit, the County Clerk of Milam County, Texas, is hereby directed to cause such notice to be given, as hereinabove provided, and in compliance with, and as directed by, the law in such cases made and provided.

"Further orders of this Court are reserved until the returns of said election are made to this Court by the duly authorized election officers."

"Jeff T. Kemp, County Judge.
Walter H. Fuchs, Commissioner of Precinct No. 1.
R. G. Stidham, Commissioner of Precinct No. 2.
R. S. Cloud, Commissioner of Precinct No. 3.
E. G. Stiles, Commissioner of Precinct No. 4."

MILANO

Milano has another high school teacher, Miss Evelyn Westbrooks of Melbourne.

Mrs. Sam Taylor, Sr., was an Austin visitor Thursday.

Mrs. Lula Haddox returned home Sunday from Bryan where she had been visiting the last two weeks. She was accompanied home by Mr. and Mrs. Bob Haddox in whose home she had been visiting.

Charles Warbington of Houston was a week end visitor in Milano. Charles is holding a good position now with the J. C. Penny Company of Houston.

S. W. Taylor, Sr., was visiting with his sisters, Mrs. Vanover and Miss Jessie Taylor in Palestine Saturday.

Coach Bill Echols carried his football boys over to Rockdale Friday to play Sharp where they beat the Sharp team.

Mrs. Mattie Pinkerton left Friday for Houston where she will visit with her children.

Mr. and Mrs. Lloyd Ferguson and Mrs. Dan Robinson spent Thursday in the Joe Ferguson home at Elevation.

Mrs. Maude Hairston of Mart was among the many that were here Wednesday to attend the funeral of her friend, Mrs. Newton.

Luther Hughes has been seriously ill but at this writing is some better.

Death of Mrs. J. B. Newton

A mantle of sorrow was cast over Milano citizens Tuesday afternoon when it was reported that Mrs. J. B. Newton had passed to her reward. She was one of our oldest and most beloved citizens. She died on her 80th birthday at her home where she lived with her daughters, Mrs. Jim Baggett and Mrs. Elaine. Her death did not come as a surprise, as she had been in declining health for several years and had been confined to her bed for something like two months. She died as she had lived, peacefully. After a short service at the church, conducted by Rev. Strickland of Rockdale, assisted by Rev. Timmerman of Cameron and Carroll Gillis, Milano pastor, her body was followed to Sandy Creek cemetery by a host of surviving relatives and friends where it was laid to rest under a bank of beautiful and costly flowers. She was preceded in death by her husband, J. B. Newton 25 years, he having established the present firm here of the J. B. Newton and Sons over 50 years ago. The following children survive: J. O. Newton, Rockdale; W. O. Newton, Cameron; Lesser Newton, Bryan; Mrs. Mollie St. Brynes, Houston; Mrs. Luella Elam, Milano; Mrs. Clyde Cardwell, Waco; Mrs. Ruth Baggett, Milano; Mrs. Flonnie Arrington, Thrall; Mrs. Nelle Butts, Thorndale. She also leaves 27 grandchildren and three great grandchildren to mourn her passing.

—A Friend.

NORTH ELM

Most of the people in our community are trying to get their cotton out this week so they can start plowing.

Mr. and Mrs. Austin Childress and children, Marcell and Schootie, spent the week end at Crockett with relatives.

Mrs. Bailey and children spent the week with Mrs. Dykus of Hoyte.

Mr. and Mrs. Robert Buffington, Mr. and Mrs. Ray Buffington and son, Billie Ray and Mr. and Mrs. Alvin Buffington, all of Ben Arnold, visited in the home of Mr. and Mrs. Buffington Sunday.

Mr. and Mrs. Frankie Heugatter had as guest Sunday, Mr. and Mrs. John McDonald, Mr. and Mrs. W. C. McDonald and daughter, Wanda Ray, Mr. and Mrs. Willard Chapman, Mr. and Mrs. Carl Phipps and son Johnnie.

Miss Dora Angell and Miss Doris Phipps spent Sunday with Miss Neta Ruth and Vida Lee Fuller.

Mrs. Carl Phipps, Mrs. W. I. Canady and little daughters, Mary Ruth and Marjorie Ann spent Friday afternoon in the home of Mrs. B. M. Reynolds.

Mr. and Mrs. Sam B. Houston and son, Douglas and Mrs. Euel Russell and Myrtle Russell spent the week in San Marcos visiting with Miss Edna Mae Houston who is attending college there.

Mr. and Mrs. Ted McDonald and daughter Betty June spent Sunday with Mr. and Mrs. Will Houston of Ben Arnold.

CLARKSON H. D. CLUB

The Clarkson Home Demonstration Club met in the home of Mrs. Laurence Janicek Thursday afternoon at 2:30 p. m. with 11 members present.

As our secretary was not present, the roll was called by Miss Kate Schwarting. Then the election of officers were held as follows: President, Miss Kate Schwarting; Vice President, Mrs. Jim Hawk; Secretary-Treasurer, Mrs. Eugene Lambert; Reporter, Mrs. Henry Garrett; Count-Representative Leader, Mrs. Howard Schwarting. As our business meeting continued, Mrs. Blassienz gave a talk on "Your Child and His Morals." Mrs. Jim Hawk gave us a talk on "Making Children Physically Fit" and "The Diet That Wards off Colds" by Mrs. Mitchell. Plans are being made for a community party at the school house November 8.

After this the meeting adjourned. The hostess then served cookies and punch.

Reporter.

CHAMBERS-STREETMAN

Miss Mattie Ruth Chambers and Emmet Streetmen of Cameron were united in marriage in Waco on Saturday morning and left for a honeymoon in Galveston.

Mr. and Mrs. Howard Stafford of this city were present for the marriage.

The bride is the daughter of Mr. and Mrs. M. M. Chambers. She is a graduate of Yoe High school and during her school days was a popular student. For the wedding ceremony, she was stylishly dressed in a navy blue sport frock with blue accessories.

The bridegroom was reared and educated in this city by Dr. W. W. Greer. He served in the World War. Prior to his making his home in Cameron recently, he was employed in Houston.

Mr. and Mrs. Streetman will make their home in Cameron.

THE DOCTORS ARE RIGHT

Women should take only liquid laxative

Many believe any laxative they might take only makes constipation worse. And that isn't true.

Do what doctors do to relieve this condition. They use a liquid

THREE STEPS TO RELIEVING CONSTIPATION

I. A cleansing dose today; a smaller quantity tomorrow; less each time, until bowels need no help at all.

II. Reduced dosage is the secret of aiding Nature in restoring regularity. You must use a little less laxative each time, and that's why your laxative should be in liquid form. A liquid dose can be regulated to the drop.

III. The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara—both natural laxatives that form no habit even with children. Syrup Pepsin is the nicest tasting, nicest acting laxative you ever tried.

Community Booths Show Well At The Fair October 10-13

Six community booths were entered for competition and all showed well for a first year fair. Rockdale scored highest in the Class A Division, with Thorndale second and San Gabriel third. Sharp, the fourth entrant, was scored down due to the fact that some products were missing from the required list. The Sharp booth was attractively arranged in black and gold and was a high scorer on arrangement. M. V. Hallman, vocational teacher, together with Miss Reed, home economics teacher, and a number of helpers, arranged the Sharp booth.

Rockdale Booth Wins

H. D. Maxwell, Rockdale vocational teacher and his Future Farmer members, selected and showed the winning class A entry. They carried a complete list of high quality products and were displayed to show to best advantage. The background was decorated with stars made from sorghums and with clusters of Japanese persimmons.

The Thorndale booth carried out a green color scheme and was well baited and filled with good products

The booth was also a Future Farmer entry, with J. E. Fox, teacher, in charge.

N. A. McNeill, vocational teacher, and his FFA members displayed the San Gabriel booth and did a good job of it. McNeill came on the job late at San Gabriel and was handicapped in getting the products needed for the booth. He promises stronger competition for the leaders next time.

Ad Hall Wins

Ad Hall Community Booth with blue streamers and its fine quality products drew much favorable comment. This booth contained many farm crops of outstanding quality

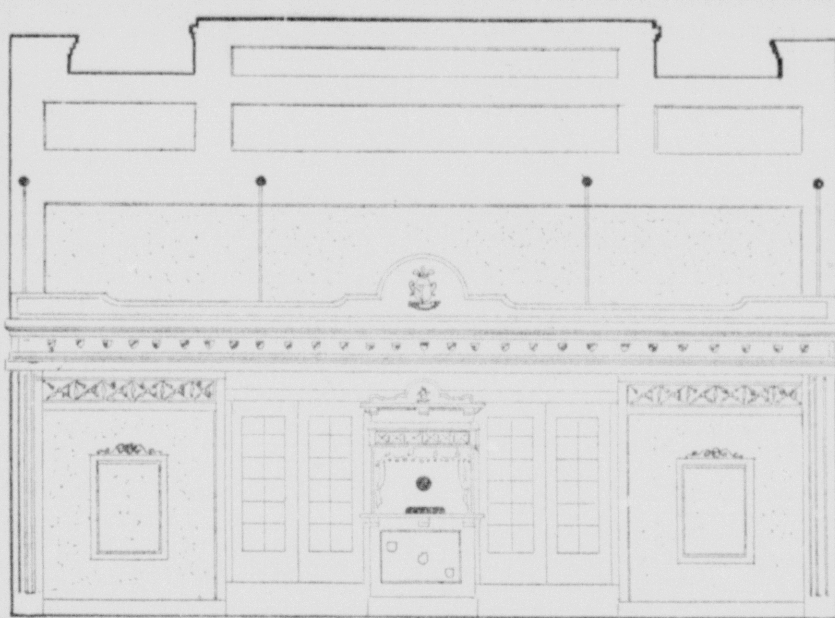

Mr. and Mrs. Lawhon led the Ad Hall group in arranging this display. A number of families assisted in making the exhibit possible.

The Curry exhibit placed second to Ad Hall, as the former was an easy winner in the class B division. The Curry booth was short on agricultural products but those displayed were of good quality. What the booth lacked in crops, it made up in flowers, as huge bouquets of roses and other flowers were scattered profusely among the agricultural products. Mr. and Mrs. Hause, aided by many members of the Curry community, were responsible for the exhibit.

New Terraplane Is Now In Cameron

The new Terraplane for 1936 is in Cameron and has created a sensation. Vastly changed in body design it is one of the most striking autos of the year.

Horstmann Brothers Tire Store, received a de luxe sedan Saturday night and it has been on display at their store. According to Mr. Horstmann the model has been sold but he regrets to part with it. Among the new features is a radical balance which holds wheels in line under all hazards and gives greater riding comfort.

The Terraplane has hydraulic brakes. Combined with this is a mechanical brake. If the hydraulic brake runs clean of oil the auxiliary brake takes care of the need so that no matter what the necessity is to apply brakes quickly the Terraplane has an extra brake.

ST. RITA'S CIRCLE

Ladies of the St. Rita's Circle of the Catholic Church met in session in the home of Mrs. A. J. Matocha Wednesday. A short business session was held when plans were made to have a Christmas Bazaar during the holidays. Next meeting will be held with Mrs. Frank Hanel near Hoyte, Cake and ice cream were served at the conclusion of the meeting.

Another Grand Jury Soon To Be Called

W. E. Kuzel of Buckholts, W. B. Elliott of Thorndale and O. C. Nolte of Ben Arnold have been summoned as a jury commission to meet in Cameron on Thursday.

They are to select a grand jury and petit jurors for the November term of district court which meets November 11.

Carnival Announced For Halloween At Clarkson School

The Clarkson school plans to have the largest and best Halloween Carnival in its history on Thursday night, October 31. The proceeds of which will go to the benefit of the school.

There will be attractions for everyone. A fish pond and chunking the nigger babies will be some of the amusements. There will be refreshments and plenty to eat.

Many of the Cameron, Rosebud and other local business concerns are helping to make this a success.

Everybody is cordially invited to attend and have a good time. Don't forget the time and place. Clarkson schoolhouse Thursday night, October 31.

Whitley-Liles

Miss Edith Whitley of Cameron and Winston L. Liles of Temple were united in marriage here on Thursday night. County Judge Jeff T. Kemp officiated in the ring ceremony.

The bride wore a frock of white and black with black accessories. She is the daughter of Albert Whitley and is well known in this city, where she attended school and was later employed in a local store.

Groom is the son of Mr. and Mrs. Lester Liles. He was born and reared in Temple, attended Temple high school and also Junior College. Mr. Lyles is operating the South Side Filling Station in Temple. They will make their home in Temple.

Present for the wedding ceremony were: Mr. and Mrs. Fred McLerran and the bride's brother, Otto Whitley. A dinner was enjoyed following the ceremony. The couple left for a honeymoon to Waco, Lampasas and other points.

Book Review October 28th

On Monday evening, October 28, at 8 o'clock the young people's Department of the First Methodist Church will present Mrs. J. Coy Williams in a book review, The Song of Solomon. Musical numbers will also be included as a part of the evening's entertainment. The program is to be presented in the basement of the Methodist Church. Admission is 15c for high school people and 25c for adults; the money to be used by the young people for carrying on the work of their department in the church. All who have heard Mrs. Williams compliment her highly, and assure those who attend a pleasant and worth while evening.

Mrs. Conn Isaacs of Rockdale spent Tuesday in Cameron visiting friends.

Mrs. Dow Eplen, Mr. and Mrs. W. H. Stafford and Mrs. Lane Thomas attended the funeral of W. T. Neb-litt, 78, in Anderson, last Wednesday.

MRS. MARY MOODY IS BURIED IN CALDWELL

Funeral services for Mrs. Mary Moody, 72, were conducted on Sunday afternoon at the Episcopal church by Rev. J. P. Love, pastor. Interment was made in Caldwell.

Mrs. Moody had lived in this city a number of years. For the past year she had been in declining health and died on Friday night after taking suddenly worse that afternoon.

South Carolina was the birthplace of Mrs. Moody, but she left there at the age of 8 and settled in the Sharp community. In 1884 she was married to W. R. Moody, who preceded her in death a number of years ago.

Surviving are her daughter, Mrs. Margaret Smith of Cameron, two sons, Will Moody of Cameron and Dewey Moody of Gladewater. A grandson, Chas Knipp, whom she reared and three brothers also survive.

Tax Payments Are Explained

Those wishing to take advantage of the discount, in case the suit now pending to determine the Constitutionality of House Bill No. 6, Fourth Called session, 43rd Legislature is decided in favor of the bill—may do so by paying the full amount of your 1935 taxes, for which you will receive a temporary receipt, and immediately after the decision, if the Court holds the law Constitutional, you will receive your official receipt, together with refund check for the 3 per cent discount, if paid in October, for 2 per cent if paid in November, and for 1 per cent discount if paid in December. In case the Court holds the law Unconstitutional, your official receipt for the full amount paid, will be mailed to you.

Yours very truly,

Let's Have Peace

But before we have peace, we must declare war against the lazy liver, the poisoned gall bladder, the poor digestive organs and the sluggish kidneys. If you are subject to any or all of the above mentioned disturbances you are not in the proper condition to fight the germs that cause such aches and misery throughout your system. Just relax and let Puratoan Liquid Laxative and Tonic do all your fighting, and Puratoan will guarantee a thorough cleaning out of all the different organs and leave your system in a healthful condition. Thousands have allied with Puratoan and have come out victorious over constipation, winter colds, pimples, boils and a general run-down condition, and they now testify they have a very peaceful system throughout. You, too, can win this peace within your body if you will order a bottle of Puratoan now and start the battle of "Cleaning Up" at once. Just mail a one dollar bill, with your name and address attached, to the Puratoan Products Company, Station D, Dept.

Third Conference Foe Falls Before Yoemen Attack Friday

Wood's Team Slashes to Victory In Rain Fest Over Taylor Ducks

In a game that had its high points of enthusiasm, and, lulls that chimed in with the gray night, out of which gusts of rain fell to dampen the ardor of fans as well as making the game more difficult, the Yoemen were better than the Ducks and so the third conference game was annexed to the already impressive victory record of Cameron. Taylor lost her second conference game 12 to 0.

Coach Wood Smiles

Coach Wood registered an all time high pleasure at the outcome. His usual, business like face was wreathed in smiles as the crowd roared its applause to the grass roots of the historic field. The Yoemen were facing their first test of the season. They put out very little stuff to win the game. They didn't have to do much, but it was more of a problem than any of the preceding games.

Not Scored On

The Yoemen have not been scored on. All laws of averages say they will be—but not yet. Such records have been made but not often. Coach Wood has made a good start. It looks like the conference will be taken for certain and a scoreless record may come in for good measure.

Largest Crowd

The largest crowd of the year saw the game. It was estimated 2000 were in the enclosure when the kickoff came. Clouds hung low and a mist was falling as Gilbert laid his toe against the ball for the opening play. In the last quarter rain beat down heavily and the field was wet. Fans ran around getting into rain coats and old fashioned umbrellas dotted the stands like a holiday in the Orient. Taylor brought the snappiest band we've seen in many moons. In all it was a colorful spectacle with the maroon and gray predominating. Cameron's band got a thunder from the north stands as it breezed down the field at the half.

Cain for Taylor kicked to Joe McLean on Cameron's 15 yard line and the Yoemen back who was to prove the big star of the game ran the ball back 20 yards.

Cameron's Ball

On the first play McLean failed to gain but made a first down around left end on the second play. McLean was carrying the ball. He failed to gain at left end and at center on the next two plays. Joe picked up five yards over left tackle. Taylor was offside and it gave the Yoemen another first down. Joe took the ball through center for 5 yards. There followed an incomplete pass from McLean to Earl Peck, star back. Joe then failed to gain over left tackle. He dropped back and kicked the ball out of bounds on the 18 yard line.

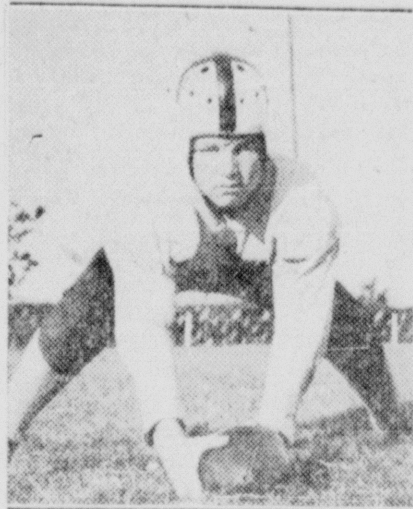

Taylor's Ball

Douglas for Taylor lost 5 yards on a fumble. The Duck back then got

two yards off left tackle with Crawford and Peck making the tackle. Conoley gained two yards on a fumbled lateral. Cain kicked to McLean on Cameron's 40 yard line and the Yoemen back ran the ball seven yards.

Cameron's Ball

McLean hit center for 1 yard gain at left tackle on the second down. Joe got 3 yards over right tackle and then kicked out of bounds on the Duck's 17 yard line. Joe's toe was working good on the out of bounds punt.

Taylor's Ball

Douglas was stopped by Gilbert after a gain of only 1 yard at center. Douglas again hit center for two yards and was stopped by Perrin. Then followed an incomplete pass and Cain kicked to Yoemen's 50 yard line and McLean made a 4 yard return.

HOMER NORTON

Coach Norton of the Texas Aggies lost a heart breaker to the Frogs Saturday in Fort Worth. He has built a great Aggie team this year. Those who know say that to score two touchdowns against the Frogs in the Christian's stadium is playing good football.

Cameron's Ball

Simmie Smith lost at right end. A pass from McLean to Gilbert was incomplete. Joe made four yards at right tackle and then kicked over the goal line and the ball was brought out to the 20 in possession of the Ducks.

Taylor's Ball

Douglas failed to gain at right tackle and Roddy hit center for 4 yards. Douglas got only 1 yard at right tackle and was stopped by

Stanislaw. Cain kicked to Cameron's 42 yard line where the ball was covered.

Cameron's Ball

McLean tried a pass that was short but Taylor was penalized 5 yards for off sides and the down went over. Joe lost a yard at left end and on the next play failed to gain at center. Peck got a bad pass from Breeding and lost 2 yards on a lateral play. McLean kicked to the 25 yard line where the ball was covered by Crawford as the quarter ended. Score Cameron 0, Taylor 0.

SECOND QUARTER

Taylor's Ball

Douglas tried right tackle but could not gain over Billy Triggs. Douglas then failed to gain at center. The Duck back then quick kicked to Cameron's 31 yard line, and Breeding returned it 9 yards.

Cameron's Ball

On the next play Joe McLean shot a 27 yard pass to Gilbert who fell across the goal line in a sensational catch for the first Yoemen score of the game. It was beginning to rain.

Gilbert failed to kick the extra point. Gilbert kicked to Penak on Taylor's 15 yard line and the Duck returned it 13 yards before he was stopped by Gilbert who not only punted but made the tackle.

Taylor's Ball

Douglas fumbled and Stanislaw recovered for Cameron.

Cameron's Ball

Peck failed to gain at right guard. McLean was thrown for a 6 yard loss on an attempted pass. Joe then kicked out of bounds on the 33 yard line. The play was called back and Taylor was penalized 5 yards for off-sides. McLean passed to Smith and it was good for 7 yards. On the next play Gilbert downed the ball on the Duck's 6 yard line as the tumult rose high in the stands. It was a good punt for Joe McLean.

Taylor's Ball

Douglas completed a pass to Kol-latt for 5 yards. He was stopped by Ermis and McLean. Douglas got off a bad punt and kicked out of bounds on the 27 yard line.

STACH

Stanfield starred on the Yoemen team and has kept up the good work for the Texas Aggies.

Cameron's Ball

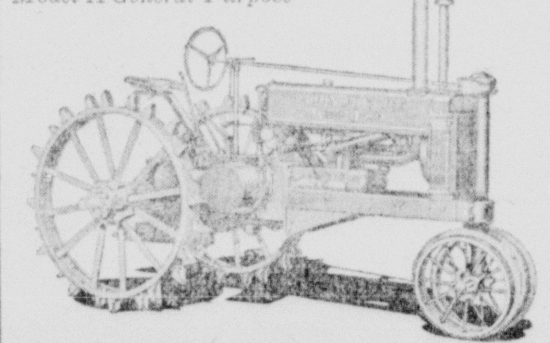

Pecy made 1 yard at center. Simmie Smith who had replaced Captain Breeding got 4 yards at right tackle and then on the next play took the ball through left tackle for 20 yards and a first down. Simmie then made two yards at right tackle and McLean got two yards at center. Peck failed to gain at center and McLean kicked to the Duck's 17 yard line.

Taylor's Ball

Douglas was stopped at center for no gain by Ermis and Stanislaw the superb guards for the Yoemen. (Turn to page 13)

THE NEW FORD V-8 FOR 1936

Why do we say The New Ford V-8 for 1936?

What is new about it?

Of course, the newest engine in the low-price car field is still the V-8 engine. Since Ford made it available to all car users (keeping it as economical as cars with fewer cylinders) the Ford V-8 has been the newest engine on the market, and remains the newest for 1936.

You may buy a car on minor "talking points"—some specially advertised feature "with the car thrown in"—but, after all, it is the engine you buy when you buy a car. Hence we put the engine first.

Other new points about the car make a long list.

Its lines are much more beautiful. The hood is longer and sweeps forward over the distinctive new radiator grille, giving the car a length and grace that are instantly impressive. The fenders are larger, with a wide flare. Horns are concealed behind circular grilles beneath the headlamps. New steel wheels.

Ford upholstery—always of sterling quality and excellent taste—is rich and enduring. The appointments of the car have a new touch of refinement. There

is no question about the increased beauty of the Ford V-8 for 1936.

In more practical matters, many improvements have been made—

Steering is made easier by a new steering gear ratio. The cooling system circulates 5½ gallons of water through a new, larger radiator. Natural thermosiphon action is assisted by two centrifugal water pumps. New style hood louvers permit a rapid air-flow around the engine.

Easier, quieter shifting of Ford gears—The gear shift lever now travels a shorter distance.

The two qualities you want in brakes—Brakes that stop the car with ease and certainty. Ford Super-Safety Brakes of the long-tested, fool-proof, mechanical design.

Safety—as always—in the electrically welded genuine steel body. Safety Glass all around at no extra cost. Hundreds have written grateful letters because this glass has protected the safety of their families.

A car you can drive without strain all day, if you like, in city or country. Steady, holds the road, responds to the

driver's touch like a well-trained horse. You don't have to "push" or "fight" the Ford V-8—driver and car easily get on terms of good understanding with each other.

An engine has much to do with the roominess of a car. Very much indeed. A low engine uses up car space. The compact V-8 engine permits much of the ordinary engine space to be used by passengers.

It really is a great car in every way, this 1936 Ford V-8—the finest, safest, most dependable Ford car ever built. Now on display by Ford dealers.

Flowers. Individual reading is being stressed very definitely. After a child has read about a certain thing, he is permitted to use this as a project; for example, after a child has read about weaving, he or she is permitted to do a piece of Indian weaving, etc.

In the Indian display, located in the reading room, many interesting and beautiful projects may be viewed. There is a Pueblo type of house, modeled from clay with ladders reaching from one story to another. There are samples of Indian blankets and Indian rugs woven in varied colors and patterns. There are dolls dressed in Indian costumes. There are many collections of flint rock, arrow heads, battle axes, Indian pottery, Indian spears, posters, and booklets. All are examples of student's work.

The flower exhibit there are posters telling us how each Texas flower got its name. Who would not be

interested in the Indian maiden's sacrifice of her little doll who wore a blue bonnet (Bluebonnet).

Many flower booklets are on display. Zanie McDaniel and Roberta Daniels did noteworthy pieces of work. Zanie made a collection of local flowers, gave the description of each, and described each flower's inhabitant. Roberta made free hand drawings of each flower.

FIFTH GRADE

In their leisure moments the fifth grade has turned out the following "tries" at poetic compositions. Those relating to flowers are as follows:

The Rose

By Elizabeth Conn

I love the rose so red
With its big, bushy head,
The rose smiles in the morning
When it is covered with dew,
Happy folk are always smiling
So the rose must be happy too.

The Rose

By June Watterson

Oh, the white, white rose
I love with all my heart
I can see it from my window
When to bed I must start.
After my light is turned out
I watch the rose like a pearl
Swaying in the breeze—then,
It seems to say "Go to sleep little girl."

Forget-Me-Nots

By Virginia Adams

Of all flowers, there's a lot,
The best, I think is the Forget-Me-Not;
There's a big lot over in our pasture
side,
Where bunches of Forget-Me-Nots
try to hide.

The Goldenrod

By Bennie Faulkner

I see the goldenrod that grows so
high from the ground;
Its blossoms are yellow, it leaves
are pointed and green.
Along our many roadsides these
blooms are found;
They remind me of a feather plume
More than anything I've seen.

How to Keep Colds

UNDER better CONTROL

Catching Cold?..
Vicks Va-tro-nol helps
Prevent many Colds

Caught a Cold?..
Vicks VapoRub helps
End a Cold Sooner

At the first warning nasal irrita-
tion, snuffle or sneeze, use Vicks
Va-tro-nol—just a few drops up
each nostril. Va-tro-nol is especially
designed for the nose and upper
throat—where most colds start. It
stimulates Nature's own functions
—in the nose—to help prevent
colds, and to throw off head colds
in their early stages. Used in time,
Va-tro-nol helps avoid many colds.

Follow Vicks Plan for Better Control of Colds

A helpful guide to fewer colds and shorter colds. Developed by Vicks
Chemists and Medical Staff; tested in extensive clinics by prac-
ticing physicians—further proved in everyday home use by mil-
lions. The Plan is fully explained in each Vicks package.

If a cold has developed, rub Vicks
VapoRub on throat and chest at
bedtime. VapoRub acts direct—two
ways at once: (1) By stimulation
through the skin like a poultice or
plaster; (2) By inhalation of its
medicated vapors direct to inflamed
air-passages. Through the night,
this combined vapor-poultice ac-
tion loosens phlegm, soothes irri-
tation, helps break congestion.

EDITORIAL

There is no doubt in the minds of most high school students that football is the most wonderful game on earth. Not only does it offer amusement to millions of Americans each year but it also is important because, unlike many games, it provides entertainment for large crowds. Practically everybody is interested in football, but the students of our schools are particularly interested and enthusiastic over this sport.

Looking back over the past ten years we find that interest in football has increased, but this enthusiasm has not affected our every day lives to any great extent. What if the student's enthusiasm for football was transferred to his lessons?

Ten years from now we could look back and find America by far the greatest country on earth. Students would be anxious to study and would therefore become the most intellectual people in the world. As a result of this intellectual enthusiasm there would be many new inventions and scientific discoveries which would raise our standards of living. Thus America would become an ideal place in which to live.

All of this hinges on one word, If.

The solution, of course, depends upon the student, and students are very reluctant in the matter of lessons. However, if we are going to come to school, why not take an interest in our work and do it right?

WHO'S WHO IN THE SENIOR CLASS

Lorean Dodson
Lorean Dodson has attended Yoe High School for four years. She was transferred from Salem, where she attended school the first four years and was transferred to Cameron. During her junior year she was a member of the Girl's Reserve Club under the direction of Miss Kathryn Robbins, and this year is a member of Miss Jolly Blanche Pitts' dramatic club.

Elizabeth Dees

Elizabeth has attended Yoe High school for four years. She was transferred from Hoyte, but has always been to school in Cameron or Minerva. During her Junior year, she was a member of Miss LaNell Love's Dramatic Club. This year she is president of the H. E. Club under the direction of Miss Mary Sue Hardage.

PEP SQUAD AND BAND PERFORMS FRIDAY NIGHT

Between halves of the football game Friday night, October 18, the Pep Squad and Band, led by Ralph Mayfield, marched on the field and formed a duck, facing the opponents, the Taylor Ducks, and fans from Taylor, followed by Y-O-E honoring our team.

PEP RALLY

The students of Yoe High School met in the auditorium for a pep rally Thursday morning October 17. The band played "Go Northwestern, Go!" to open the program. Rev. O. C. Arey then made a pep talk. This was followed by the steamboat yell. The band then played "Hail! Hail! the Gang's All Here!" and "Our Boys Will Shine." Dr. John Denson made a pep talk, followed by "Fifteen" for

the team and "Yeah! Team!" A pep talk was made by M. G. Cox. The band played "Ever Loyal to Old Yoe High." The students marched out of the auditorium while the band played "The Thunderer."

OUR YOEMEN

Our team will win, we all know
We love the boys, each a hero.
They fight for our school, we all love
so well,
For them we will always root and
yell.

There is little Smith, he's a man,
For him we will do all we can.
In the backfield we have a new hero;
He is really good, his name is Joe.
Joe has a "bud"; they call him hump
There is plenty of strength in that
lump.

There is big Gilbert, his name is J. B.
He's as big and tough as a tree.
Little tough Jimmie is always on the
spot,
Coach Wood says he's plenty hot.

Ernis is good and plenty fast
We cannot leave him to the last.
Captain Breeding is very good;
His handicap is his leg and foot.
He's loved by all the boys,
When he takes the field, our hearts
fill with joys.

From Milano comes Stewart; he can
run
When he gets off we all have fun.
Crawford is in each game, a star
He knows his position near and far.
Billy Triggs gets around and about—
He is good in football and plenty
stout.

There are plenty of others that can
really play—
With you boys Yoe High will stay.
This story, of course, would not be
complete
Without Coach Wood's name under-
neath.

He made the boys the heroes they are
He's the best roach we know of, near
and far.

When this is added you have a real
football team,
It works like a real machine;
So take my word and stay with me,
And defeated we shall never be.
—Milton Schiller.

YOEMEN MEET GRANGER LIONS
The Cameron Yoemen will meet the Granger Lions Friday night at 8 o'clock on the Yoemen field. The Yoemen are expecting to take the Lions by a number of scores. The Yoemen are favored in 31-B district and have not been scored on this season. The Lions have a good team, and the boys will have to fight hard to keep from letting them cross their goal. Joe McLean is a star back for the Yoemen, and he is ready again this week to score a number of touchdowns. Frank Ernis, J. B. Gilbert, Shirley McLean, Clinton Breeding Crawford and the whole team are waiting to beat Granger this week end.

The Yoemen beat the Ducks by two touchdowns last Friday night in the rain. The first touchdown was made by Gilbert who caught a pass thrown by Joe McLean. The other touchdown was made by Frank Perrin who intercepted a pass and ran 65 yards for a touchdown.

VOCATIONAL STUDENTS

Four students of Vocational Agriculture accompanied E. D. Parnell to the farm of Homer Peel Monday afternoon to do terracing. Several thousand yards of line were laid off.

A stirring tale of the Pampas... TOLD IN RINGING SONG!

November 1 and 2

Students making the trip were Chas. Roy Law, Roland Boedeker, J. T. Owings and L. Kurcak. Another group of vocational students also did terrace line work on the Ed Hause farm last week with Von Kennon, Van Hickman, J. T. Owings, Charles Law, and Walter Plocek making the trip.

E. D. Parnell attended the Future Farmer banquet at San Gabriel Wednesday night.

Taimadge McGregor has resigned as president of the C. H. Yoe Chapter F. F. A. and a new president is to be named. A. W. Lucas was recently elected vice president. Meetings are now being held twice a month.

CAMERON FFA BOYS TO EXHIBIT AT TEMPLE

The Cameron Future Farmer Chapter members will enter an agricultural exhibit at the Temple Fair and Exposition November 8th. More than 25 chapters will exhibit products in competition for prizes offered by the Board of Development of Temple.

NOTES FROM THE OFFICE

E. A. Perrin has requested that the general assemblies held on Wednesdays are open to all outside people, and that those interested in these programs are invited. Assemblies begin at 11 o'clock each Wednesday morning. Here is a list of programs for the next four weeks:

October 30—This program is under direction of Miss Ruth Mantor from the Ada Henderson school. The dramatic club of Miss Pitts will present a one act play.

DOCTORS KNOW

Mothers read this:

Why do people come home from a hospital with bowels working like a well-regulated watch?

The answer is simple, and it's the answer to all your bowel worries if you will only realize it: many doctors and hospitals use a liquid laxative.

If you knew what a doctor knows, you would use only the liquid form. A liquid can always be taken in gradually reduced doses. Reduced dosage is the secret of any real relief from constipation.

Ask a doctor about this. Ask your druggist how very popular liquid laxatives have become. They give the right kind of help, and right amount of help. The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara — both natural laxatives that can form no habit, even in children. So, try Syrup Pepsin. You just take regulated doses till Nature restores regularity.

November 6—An Armistice Day program.

November 13—The band under Francis Cox will be presented.

November 20—Devotional services by one of the local pastors.

Checking the football slips in the office this week shows that all 38 players who have reported have been found eligible with the exception of 2 men. This fair record speaks well for the scholarships of football followers.

Library Assistants Meet

On Tuesday evening, October 15, Miss Lanell Love, Yoe High Librarian, have a party for her assistants. Those present were Ella Bess Haygood, Louis Turner, Billie Marek, Nell Williams, Rowland Clifton, Billy Triggs, Bettye Mangum, Alphonse Kusurek and Patricia Batte. Louie Turner was elected President of the group, the purpose of which is to create a better library. Meetings are to be held every two weeks. At the close of the meeting Miss Love served refreshments to the group.

CHAPEL PROGRAM ENJOYED

On Wednesday morning October 16 a chapel program was presented by a group of students under the direction of Mrs. A. N. Posey. Two talks on the subject of fire prevention were made by Dorothy Welch and Louis Kubecka as a climax to the week spent in the study of fire prevention.

The remainder of the program was a series of dramatization of popular songs. Announcements were made by Dorothy Perkins. "Old Black Joe"

Charles E. Hensley and Billy Triggs. "A Rose In Her Hair" Nelta Dierr, Helen Ryan, Helen Dierr, Winona Slaughter, Grace Markham. "The Old Spinning Wheel" Clinton Breeding, Patricia Batte. Quartette "Juanita" Stone Garner, Rudolph Michalka and Virginia Freeman. "In a Little Gypsy Ten Room" Nelta Dierr, Louis Kubecka, Elizabeth Sprott, Virginia Weems.

Animal Crackers, "When I Grow Too Old To Dream," Nancy Jane Newton. "Top Hat" Clinton Breeding. Quartette "Poor Butterfly" Bettye Mangum, Billy Triggs, Allen Horstmann. "The Last Round Up" A. W. Lucas, Billie Triggs. "Love's Old Sweet Song" Ruby Baylor.

Keep a Good Laxative

*always in your home

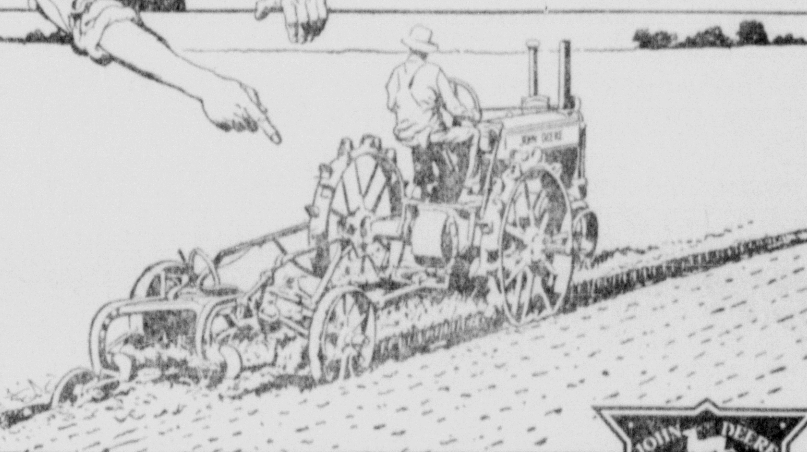

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. "We have used Thedford's Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. "I take Black-Draught for biliousness, constipation and other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results."

Sold in 25-cent packages.

will you serve on a jury
WITH THIS LADY?

Put Gulf "on trial"

Tried Gulf gas lately? If not, you've a big surprise coming.

Put it "on trial" in your car for the next 3 weeks. Then see if you don't agree with this fair member of the Gulf "jury."

750 "Jurors"

750 car owners recently served as jurors in a "trial" of That Good Gulf Gasoline.

They drove it for 3 weeks—compared it with their regular brands on (1) mileage (2) starting (3) pick-up (4) power (5) all-around performance.

Verdict—Gulf!

At the end of the trial, 7 out of 10 voted for Gulf on one or more of the five counts—many on all five.

Why? Because Gulf is 5 good gasolines in one. Controlled refining gives it not merely 2 or 3 ideal gas qualities—but all five.

Try Gulf 3 weeks. We'll bet it's your regular gas from then on!

Keep Us on the Jump
DAY AND NIGHT

NEW families... new homes... new stores... new factories... improved homes... growing families... bigger and better stores... expanding factories... all forms of growth and change in the life of a community add to the demand for more electric service.

New and better electrical devices are daily put into use in more homes, stores, places of business and industry. They "get the job done" with greater ease, comfort and convenience... and, for less money. At the same time they call for more electric power.

Life is movement. The life of a community is never at a standstill. All of it demands more electric service. A surprisingly large amount of it depends upon the constant availability of dependable, low-cost electric service.

It is easy to see, therefore, that the Texas Power & Light Company can not build its equipment to supply only today's demands. Tomorrow's demands will be bigger than today's. They must be provided for... they must be foreseen, so that, regardless of the increase in size of a community, and in the activity of the people, adequate electric power will be available to answer all demands.

"Growing Pains" of Our Own

Inventors and scientists are steadily perfecting better methods of producing and distributing electric power. Yesterday's equipment is frequently made obsolete by the perfection of a newer method. The use of these newer methods sometimes makes it possible for us to lower the cost of Texas Power & Light service. Therefore, we must use the highest degree of engineering skill and foresight to take advantage of better methods with the least amount of loss through discarding of obsolete equipment.

This alertness, this "stickin'-to-the-job," has made Texas Power & Light service unexcelled anywhere. During the past ten years the average cost of residential lighting service has been lowered more than 35 per cent to Texas Power & Light customers. Yes, the Stork, the Builder, Dan Cupid, the Mover, and the Inventor have kept us on the jump, resulting in better and cheaper electric service to our customers.

FOOTBALL

(Continued from page 9)

Douglas got two yards at center and
then failed to complete a pass. Cain
kicked to McLean who was checked
in his return run on the Duck's 40
yard line as the half ended. Score
Cameron 6 Taylor 0.

THIRD QUARTER

Cain for the Ducks kicked to Mc-
Lean on the Yoemen's 10 yard line
and the brilliant back ran it back 30
yards.

Cameron's Ball

McLean picked up 1 yard at center
and then on the next play got a first
down over right tackle. On the next
two plays Joe got 6 yards at line
bucks. A pass to Breeding was in-
complete and McLean kicked out of
bounds on Taylor's 12 yard line.

Taylor's Ball

Douglas faked a pass and hit the
line for no gain. He was stopped by
Perrin and Gilbert. Orsak got 4 yards
at center as he was stopped by Frank
Ernis. McLean tiok a punt from the
Ducks and returned it 17 yards and
the ball was on Cameron's 47 yard
line.

Cameron's Ball

McLean on a fake got 5 yards at
center and on the next play made 4
yards after he had recovered a fumble.
The ball was wet. McLean then
tried a pass but it was no good. Joe
then punted over the goal line and
the Duck's got the ball on their own
20 yard line.

Taylor's Ball

Douglas failed to gain at center
and then tried a pass but it was in-
complete. Douglas punted and the ball
was killed on Cameron's 28 yard line.

Cameron's Ball

Joe McLean went around right end
for a first down. Peck fumbled but
Stewart recovered the ball. McLean
smashed center for 5 yards. McLean
punted and Gilbert killed the ball on
the Duck's 2 yard line. It was a bril-
liant play.

Taylor's Ball

Cain for the Ducks kicked to the
40 yard line.

Cameron's Ball

McLean made a first down at right
tackle. McLean then made another
first down at left tackle. McLean
then made another first down at left
tackle. The Cameron back was pun-
ishing the Duck tackles and getting
in his stride. Joe made two yards at
center and on the next play tried a
pass to Gilbert but it was overshot.
On a spin play McLean made 1 yard
at center. Joe tried another spin play
and lost 10 yards and the ball went
over.

Taylor's Ball

Here was the most sensational play
of the game. Douglas standing in the
shadow of his own goal shot a perfect
pass to Hejl who had an open left
end and a down sweep of the field.
Hejl ran the ball to the Yoemen's
15 yard line. The Yoemen safety men
were in a tough spot. Joe McLean
missed the tackle but recovered his
balance and made a second attempt.
Earl Peck saved the day. In a bril-
liant tackle he brought the Duck
back down on the 15 yard line. Shir-
ley McLean, Yoemen end stopped
Douglas on the next play for no
gain at right tackle with Stanislaw
in the play. Douglas tried a pass but
it was intercepted by Breeding on
the Yoemen's 6 yard line.

Cameron's Ball

Breeding hit right tackle for 6
yards and McLean failed to gain at
center. Joe kicked to Cameron's 45
yard line and it was returned five
yards.

Taylor's Ball

Fans rose in their seats in the gray
drizzle of rain that had now begun to
pepper them to cheer Frank Perrin
who intercepted a pass by Douglas
and ran the ball 65 yards down the
field for the second touchdown of the
game. He was escorted down the field
by a cordon of Yoemen who were
quick to sense the advantage. Perrin
was very tired. He had played a hard
and fast game and was one of the
outstanding stars in this his third
conference game. Gilbert failed to
make the extra point. Gilbert kicked
to Veal who made a good return to
the 30 yard line as the quarter end-
ed.

FOURTH QUARTER

Taylor's Ball

The Taylor machine was desperate.
Douglas hurled a pass that was in-
complete but on the next play passed
to Orsak for 8 yards. Orsak was stop-
ped at right guard by Perrin and Gil-
bert. Cain kicked to Smith who made
a 4 yard return. Rain was falling
harder.

Cameron's Ball

McLean kicked to Taylor's 40 yard
line.

Taylor's Ball

Douglas tried twice but failed to
complete passes. On the third at-
tempt he passed to Cain for 9 yards
and then hit center for a first down.
A pass from Douglas to Johnson was
incomplete. Rain and wet ball made
it hard to complete. Douglas was
tackled by Ernis after he had made
a yard at center. He tried another
pass and it was incomplete. He
kicked over the goal.

Cameron's Ball

Smith carried the ball straight
through the line for a first down. Joe
McLean went through center for a
first down. The Duck line was wan-
ing under the knife like thrusts of
the Cameron backs. Smith got 5 yds.
at left tackle. Smith failed to gain at
center but got two yards at center
on the next play. A pass from Mc-
Lean was incomplete. The ball went
over.

Taylor's Ball

Penak hit right end for no gain,
stopped by John Davis. McLean inter-
cepted a pass thrown by Douglas.

rameron's Ball

Smith got 1 yard at center. Joe
McLean then tried two passes but
they were incomplete. The Yoemen
were on the Duck's goal line. McLean
failed to gain at center and the ball
went over.

Taylor's Ball

Peck intercepted a pass from
Douglas. McLean lost two yards on
a fumble. The ball was wet. Joe tried
a pass but it was incomplete. Mc-
Lean got a first down at center and
then made 5 yards more on the next
play. It looked like the Yoemen
would score again. Smith gained a
yard at right guard. McLean at-
tempted a pass as the game ended.

Milton: "What's the use of washing my hands before I go to school mother. I am not one of those who are always raising them."

Miss Pitts: (In the middle of a joke) "Have I ever told this one before?" Class (in chorus) "Yes." Miss Pitts: "Good. You will probably understand it this time."

Mrs. Hefley: "Really, Neil, your handwriting is terrible. You must learn to write better." Neil: Well, if I did you'd be finding fault with my spelling."

The Man Who Knows

Whether the Remedy You are taking for Headaches, Neuralgia or Rheumatism Pains is SAFE is Your Doctor. Ask Him

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation you don't know all about, for the relief of headaches, or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin.

We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Countless thousands of people who have taken Bayer Aspirin year in and out without ill effect, have proved that the medical findings about its safety were correct.

Remember this: Genuine Bayer Aspirin is rated among the fastest methods yet discovered for the relief of headaches and all common pains . . . and safe for the average person to take regularly.

You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.

SAFETY

The Texas Mother's Committee for the safety of children in cooperation with the Texas Centennial observance committee, is opening a safety educational season to all south Texas cities and the city government of each.

Mrs. Ford, representing the committee addressed the members of the Ada Henderson school on the subject of safety. After the address she asked the students to stand up and salute the flag while they repeated a safety pledge.

She asked the students to see that

the younger children obeyed the rules of safety. At least three hundred thousand students in the Texas schools have been enrolled in this move to make Texas known for traffic safety and courtesy, to prevent street play and other violations of safety.

SPORTS

In order to get in practice 7-B have made two teams to play against each other. Players to meet the sixth grade will be picked from these teams. One team, the 7-B Section elected their captain last week. Robert Masopust is the Captain. The other team elected J. B. Sanders. These teams play at noon and are watched by Mr. Bennett who is their coach.

JINGLES

Little Nancy Machicoat
In a flaming petticoat
And a burning nose,
The loger she burns
The shorter she grows.

Little Jack Horner sat in the corner
Playing with matches, you see;
He struck one up high
And ignited a table near by,
So a good lesson learend he.

To market, to market to buy some matches;
Home again, home again, before the house catches.

Rub-a-dub-dub
Three men in a tub
And who do you thing they be?
Kerosine and Gasoline
Who were led by carelessness
And were banished as
Fire Hazard Pests.

Goosey, gosity, gander, where have you been?
Putting out a small fire in my master's den.

Mistress Mary, quite contrary
How do your fire plants grow?
Very well, thank you
For I'm weeding them out
And keeping only the useful ones, you know.

The above jingles were written by Diane Luckett, member of the seventh grade.

Baa, baa, black sheep
Have you any wool?
Yes sir, yes sir, three bags full—
One for my master
One for my dame;
None for the little boy
Who plays with flame.

Little Jack Horner
Sat in the corner
Eating his birthday cake
The candles on the cake
Turned out to be a fake
And exploded one by one—
Poor Little Jack will have no more fun.

Hickory Dickory Dock
The mouse ran up the clock
But a match standing there
Seemed much more fun
And he ignited the curtains one by one.

Handy pandy, Jack a dandy
Loves to play with matches
He bought some at the grocer's shop
And out he ran, hop, hop, hop.

The above jingles were written by Mary Louise LaCook of the seventh grade.

Many a Friend Recommends BLACK-DRAUGHT

People who have taken Black-Draught naturally are enthusiastic about it because of the refreshing relief it has brought them. No wonder they urge others to try it! . . . Mrs. Joe G. Roberts, of Portersville, Ala., writes: "A friend recommended Black-Draught to me a long time ago, and it has proved its worth to me. Black-Draught is good for constipation. I find that taking Black-Draught prevents the bilious headaches which I used to have." . . . A purely vegetable medicine for the relief of

FAIR COMMITTEE IN THANKS TO PEOPLE

"Now that the Milam County Fair has come and gone, may we as members of your executive committee, say thanks to you all. We are satisfied with the outcome. We hope you are. Crowds were huge, everyone was orderly, the Fair Spirit was in evidence on every hand, and all Milam County seemed to have turned out en masse in appreciation of our months of effort in behalf of our first County Fair in more than a decade.

"Many are asking already about another fair for next year. We cannot answer these questions immediately but it seems that everyone is looking ahead to the next Fair with eager expectancy and we hope to be able to make an early report for a permanent Milam County Fair. In the meantime, may we again say thanks to you all for your cooperation in this county-wide venture.

13 Votes Increase School Taxes 40c

Fourteen votes were cast Saturday to increase taxes 40c on the hundred dollar valuation in the Watt's Switch district.

There were 13 votes for the increase and 1 against. The poll is one of the smallest ever recorded in the county. The tax will greatly increase the facilities of the school.

CARD OF THANKS

We wish to express to our neighbors and friends our sincere appreciation for their assistance during our recent great bereavement in the death of our beloved mother and grandmother, Mrs. Mary Moody. We will remember with gratitude always those who came to us and spoke words of sympathy to help us bear the burden of sorrow. We thank those who gave flowers and all who in any way assisted us.

The Family.

Mrs. Ernest McKnight has returned to her home in El Paso after visiting her mother, Mrs. Ollie Walker and grandmother, Mrs. Bob Todd.

Buckholts School News

Thanks to Mr. White, Buckholts School News will be a regular feature of the Cameron Herald. Material will be contributed weekly by the students who have organized a press club under the direction of Mr. Yoe the English teacher.

The school and faculty are indebted to Mr. White for the complimentary copy of the Herald sent to the school each week.

Basketball Court

Work on the basketball court is progressing rapidly. The christe has been watered and rolled and the court is in good condition. New post has been put at the south end and new goals have been erected. The lights are to be strung soon.

Several different means are being used to get funds for the athletic equipment. Plays are being given and probably a box supper will be held soon.

Buckholts Teachers

The Buckholts school has seven teachers; three high school teachers and four grades teachers.

Mr. Hinson, the superintendent, teaches Mathematics and Agriculture.

Mr. Yoe, the principal, teaches English and Spanish.

Miss Tarwater has Home Economics and History.

The grade teachers are Marvin Slovacek, who teaches the seventh grade and Bookkeeping and Commercial Arithmetic in the High school. Mrs. Yoe has the fifth and sixth grades; Mrs. Goodwin, third and fourth and Mrs. Elliott teaches primary, first and second grades.

Seventh Grade

The chapel program for next Friday afternoon will be a short play presented by Mr. Slovacek's seventh grade soon. His programs in the past have been well done and this one is expected to be entertaining.

The Six Weeks Exams

The Buckholts High School will have six weeks exams this week, beginning Tuesday. Everyone is dreading the exams and wondering whether they will pass.

The teachers will be busy all week making out questions and grading papers.

X The pupils, who now have sorrowful faces will have much studying to do in the next few days. So many extra books are being taken home that busses almost have to drive in second because of the heavy load. Hearts will be lighter after report cards are given out Friday, unless faces are smiling now and books unopened before exams are taken.

Auditorium Attraction

There will be a play in the High school auditorium Tuesday night at 8:00 P. M. The name of the play is "The Church and Its People," presented by the Phil Duncan players.

They will present a play each Tuesday night for the next five weeks if the attendance is good. The admission price is 10c and 25c and 30 per cent of the profit goes to the athletic fund.

Cameron Athletic Club

The Cameron Athletic Club offered a play "The Path Across the Hill" to a small audience in the Buckholts Auditorium Friday night. The play was well coached and selected but rain and the football game in Cameron were responsible for the poor turnout.

Chapel Program

The eighth and ninth grades presented a program Friday afternoon at 12:30 in the auditorium. One of the two plays given was "The Servants of Mrs. Sentence." The characters were: Liddie Mae Krall, Effie Blanche Lawson, Elsie Horstmann, Genevieve Walschak, Doris Hinson, Jane Phillips, John Goodwin and Ray Gann.

The other play was "The Silent Vowel Spelling Match." The teacher was Elvira Schiller and the pupils were: Estelle Mitcham, Beatrice

Walschak, Leslie Sakewitz, Josephine Glaser, Annis Schiller, Maude Ellen Sample and Leonard Croppell.

Scratch Club

The people who were to make up the press club met last Friday, October 18, to organize. There were 25 present at the meeting. Mr. Yoe presided over the meeting and "The Scratch Club" was chosen as a name. Regular meetings were set during the noon hour each Friday.

The meeting will last for 30 minutes and during this time the president will appoint certain people to write special news stories. The editor in chief will assign each member a subject on which to write. The articles will be turned over to a publication committee for correction before being typed.

At the first meeting, October 18, the following officers were elected: Tillie Tomascik, president; Annie Tomascik, vice president; business manager, George Patillo; assistant

business manager, Martha Jane Horstmann; sports editor, Rudolph Krall. Other members are: Winnie Bell Tomasek, Elvira Schiller, Beatrice Walschak, Genevieve Walschak, H. B. Allen, Elsie Horstmann, Effie Liddie Krall, Estelle Mitcham, Audrey Mitcham, Mary Frances Elliott, Lois Price, Cornelia Price, Minnie Bell, Evelyn Fikes, Lillian Dusek, Annie Schiller, Jack Blankenship.

COPUS-CONWAY

Miss Gladys Jewel Copus and Mr. Irving Bradbury Conway of Bryan, were united in marriage Sunday, October 13th in a quiet ceremony at the home of Rev. McGaly pastor of the first Baptist church in Navasota.

The bride is the only daughter of Mrs. T. C. Copus of Cameron, was reared here, and a graduate of Cameron High School and has one year's work in John Sealy Hospital in Galveston, and for the past year has been an employee of the Bankhead

Department at A. & M. College. The bride is a talented musician and often appeared on programs while in Cameron. She was attractively dressed in a fall suit with black accessories.

The bridegroom is the son of Mr. and Mrs. J. H. Conway of Bryan, and after graduating from the Bryan High School, completed his college education in Baylor University, Waco. He is a rising young business man and is conducting a filling station in Bryan where they will make their home after a short wedding trip to Galveston.
